

OSKA

THANKS YOU FOR A WONDERFUL YEAR!

THANK YOU!

Today we would like to sincerely thank all OSKA customers and partner shops as we are now concluding the order season S/S 2012. Growth was generated especially in the wholesale area and through expansion of worldwide partner shops.

Our focus this season was on the development of the American market. The new location in New York and the new openings in Montclair (New Jersey), Pasadena (close to Los Angeles) and Mill Valley (San Francisco Bay) were well received.
